

**Called to order** at 8:30am

**1. State of the District – check-in**

- New Members – NW Pediatric Dentistry, Plein de Vie, Bridge to Portland, IRLLEN, Foothills Soccer Club (Maria present and shared info about their biz), Raising Play, Consign Coutour, T's Blooms
- Covid updates – have changed in the last 10 days, masks mandated for indoor settings. Most businesses will move back to encouraging masks in their businesses.
- Summer traffic is increasing, tourists coming back.
- Streetscape – Pawsh sidewalk encroachment brought up by Jill and info re: their landlord will be replacing the façade on the front of their building. Concerns that it will interfere with Mult Days.
- Trash/street cleaning – Petie (Peachtree Gifts) suggested that businesses take it upon themselves to clean up in front of their buildings.

**2. Events and Promotions**

- First Friday – MVBA still encouraging staying open late. Push to market First Fridays after Mult Days.
- Multnomah Days Update – Permits still in limbo. Extra posters are at ComeUnity PDX. Need more food vendors – Jill will send Barb some suggestions. Need more volunteers, PTB will send email out to the mailchimp list. Music on mainstage is set, last minute performer change worked out. Still need street performers. Beat Goes On band will do a Pop-up performance. Still looking for the main banner. Sponsors – good, more sponsors than in previous years.
- Holiday Gala – Dec. 3<sup>rd</sup>
- Capitol Hwy Project started and moving forward somewhat on time.
- Protesters/Demonstrators every Wednesday on triangle in front of Thinker Toys. Very loud and disturbs the peace of the Village. PTB has tried to reason with them re: the loudness but they just get louder and more rude. Only thing we can do is call Non-emergency # and report.
